

PARK FOLLY BEACH

Full-time residents are allowed to register two vehicles and part-time residents who do not rent their home are allowed to register one vehicle. **This year, golf carts receive a parking decal**; like always, golf carts still count as one of the two allowed vehicles.

• Can I have decals for my cars and golf carts?

If you have a golf cart, it must be registered with Folly Beach (proof of SC registration, driver's license, and insurance) and you will be given a special parking decal made for golf carts. You are then entitled to one additional vehicle decal. If you do not have a golf cart at your residence, you are entitled to two vehicle decals.

• Where does it go on my car?

Decals should be placed on the lower left corner of the windshield.

• May I give my decal to a friend or family member?

You may not sell or give away your residential decal to anyone else. Parking enforcement does track decal numbers to the vehicle registered and you will lose your decal privileges if you are found to have fraudulently sold or given out your decal.

• What if I only live at Folly part-time?

A property owner who owns a "residential unit that is never rented is entitled to one residential parking decal. In no case shall more than one parking decal be issued for a part-time resident's residential unit. Proof of ownership and a sworn statement by the owner of the unit that the unit is never rented shall be provided."

For more information, please contact the Park Folly Beach office at 843-588-6299.

PARKING TIPS

Here are five helpful tips to avoid a parking ticket!

Avoid the Ticket!

1. Download the Passport Parking app to pay by phone. You get text or email reminders when your parking is about to expire!
2. Take a picture or remember your vehicle plate number and enter it into the parking paystation correctly.
3. If you are a resident, be sure to apply for a Residential Parking Decal. Make sure the decal is placed on the lower left corner of the windshield. More information is found under the Residential Parking Decals tab.
4. If you choose to park on-street, you are responsible for knowing the City's parking rules which can be found online at cityoffollybeach.com.

Here are some helpful tips that may reduce the risk of crime.

Vehicle Safety:

1. Always lock your car doors.
2. Do not leave valuables in view inside the car.
3. At night, park in a well traveled and well-lit area.
